**Welcome  
To  
Creekland**

Lester Norton and I extend you a very cordial welcome to Creekland Farms first sale. We have made every effort to build our herd through the purchase of outstanding foundation animals.

Lester has made a real attempt to put top quality animals in this, our first sale. We believe you will agree he has accomplished this.

This is an excellent time of the year to visit South Carolina. The early spring is probably our most beautiful season. We are located only a three hours' drive from Charleston, an old and historic city which has many fine gardens of Azaleas, Camellias and other shrubs that will be in full bloom at sale time. It is also only a day's drive to the heart of Florida.

It is only 150 miles to the great Smoky National Park in North Carolina, and for many this beautiful place will be right on their way.

At Clinton we have excellent Hotel and Motel accommodations. Good highways come from all directions. If your plane or train connections work out better to arrive at Spartanburg, Greenville, or Columbia, we will be happy to meet you there if you let us know in advance.

We look forward to welcoming you to Creekland Farms.

*P. S. Bailey*

## GENERAL INFORMATION

**TIME AND PLACE**—Saturday, April 2, 1955. The sale of breeding cattle will start at 12:30 p.m. Club calves will be sold at 11:00 a.m. Lunch will be served on the grounds. The sale will be held at Creekland Farms. The farm is located 6 miles northeast of Clinton on S. C. 56 then 1½ miles east.

**SALE HEADQUARTERS**—The Mary Musgrove Hotel, Clinton, South Carolina. This is a most modern hotel. Several good motels are also available. We will be happy to arrange accommodations upon your request.

**TRANSPORTATION**—Clinton is located on U. S. 76, S. C. 56 and 72. It is also on the main line of the Seaboard Air Line Railway. There is excellent plane service to the nearby town of Spartanburg, Greenville, and Columbia. We will be happy to meet you at any of these points if advised sufficiently in advance.

**HEALTH**—All cattle are sold subject to a 60 day retest for Tuberculosis. Health certificates will be provided with each lot sold. All cattle have been blood tested for Bangs within 30 days of the date of the sale, except those officially vaccinated for Bangs and under 24 months of age. In these cases vaccination certificates will be given to the buyer. All of the Creekland heifers are officially calfhood vaccinated.

**FARM PHONE**—Clinton, 1061W1.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

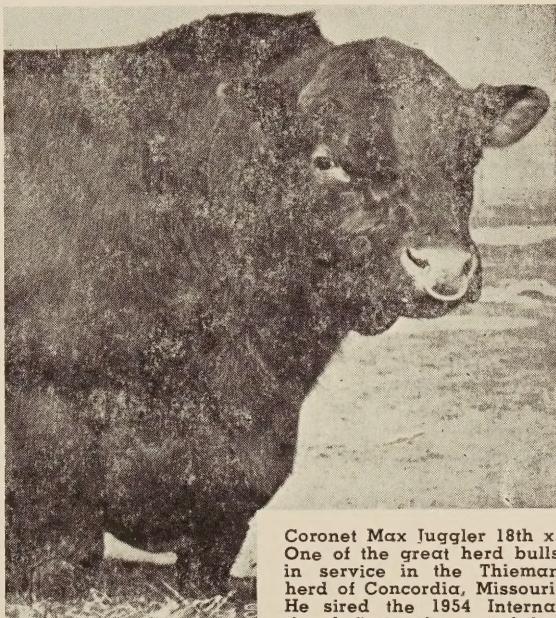

Where footnotes appear in this catalog, they were furnished by the consignor or written from information supplied by the consignors.

We shall not be responsible or liable for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests. The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. The sale manager was retained for the specific tasks of handling the publicity and preparing the catalog. Neither the sale manager, nor the clerk assumes any liability.

**AUCTIONEER**—C. D. Swaffar, Tulsa, Oklahoma.

**SALE MANAGER**—Don Longley, The Shorthorn World, 16 So. Locust Street, Aurora, Illinois.

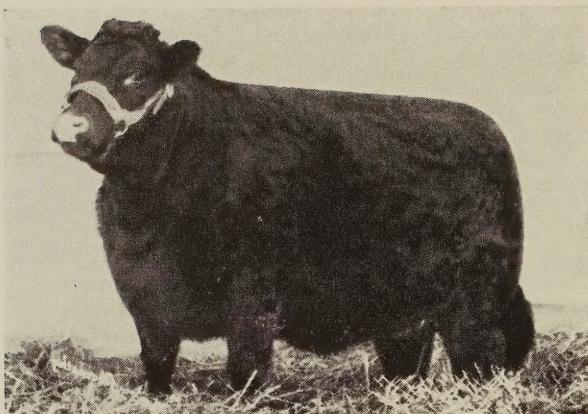

**MAIL BIDS**—Those wishing to buy, who cannot be present at the sale, may send their bids to Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois; John Jenkins, Southern Livestock Journal, Macon, Georgia; H. W. Walker, Eastern representative, The Shorthorn World, Indianapolis, Indiana; the auctioneer, C. D. Swaffar; Carl O. Parker, Southern representative, American Shorthorn Breeders' Association, 3757 Mathis Street, Macon, Georgia, or to Ed Huff, Eastern representative, American Shorthorn Breeders Association, Culpepper, Virginia.

Coronet Max Juggler 18th x. One of the great herd bulls in service in the Thieman herd of Concordia, Missouri. He sired the 1954 International first prize get-of-sire. We are proud to have this famous herd as a guest consignor to the first Creekland sale.

### CLUB CALF SALE

To encourage junior work with Shorthorn and Polled Shorthorns we will sell eight steer club calves on the morning of our sale, starting at 11:00 a.m.

The Creekland herd was put together carefully through the purchase of the very best. Above is Fruitlawn Red Mina x, reserve grand champion female 1951 National Polled Shorthorn Congress. We purchased her for \$2,000. She is the dam of Creekland Lieutenant x, Lot 5.

The herd that can produce top bulls is also the herd that will produce foundation females that will enable others to do the same. You will agree that Creekland is such a herd when you see the four young bulls they are selling . . . lots 2 through 5.

That Creekland purchased the best in founding their herd is a matter of record. That this foundation is breeding superbly will be a matter of record, I believe, after the crowd sees these sale cattle.

Of the 45 Creekland entries only seven were not calved there. Of these, one is a junior herd bull, four are cows that have been in the herd since its inception, and of the remaining two, they have the sire of one and the dam of the other.

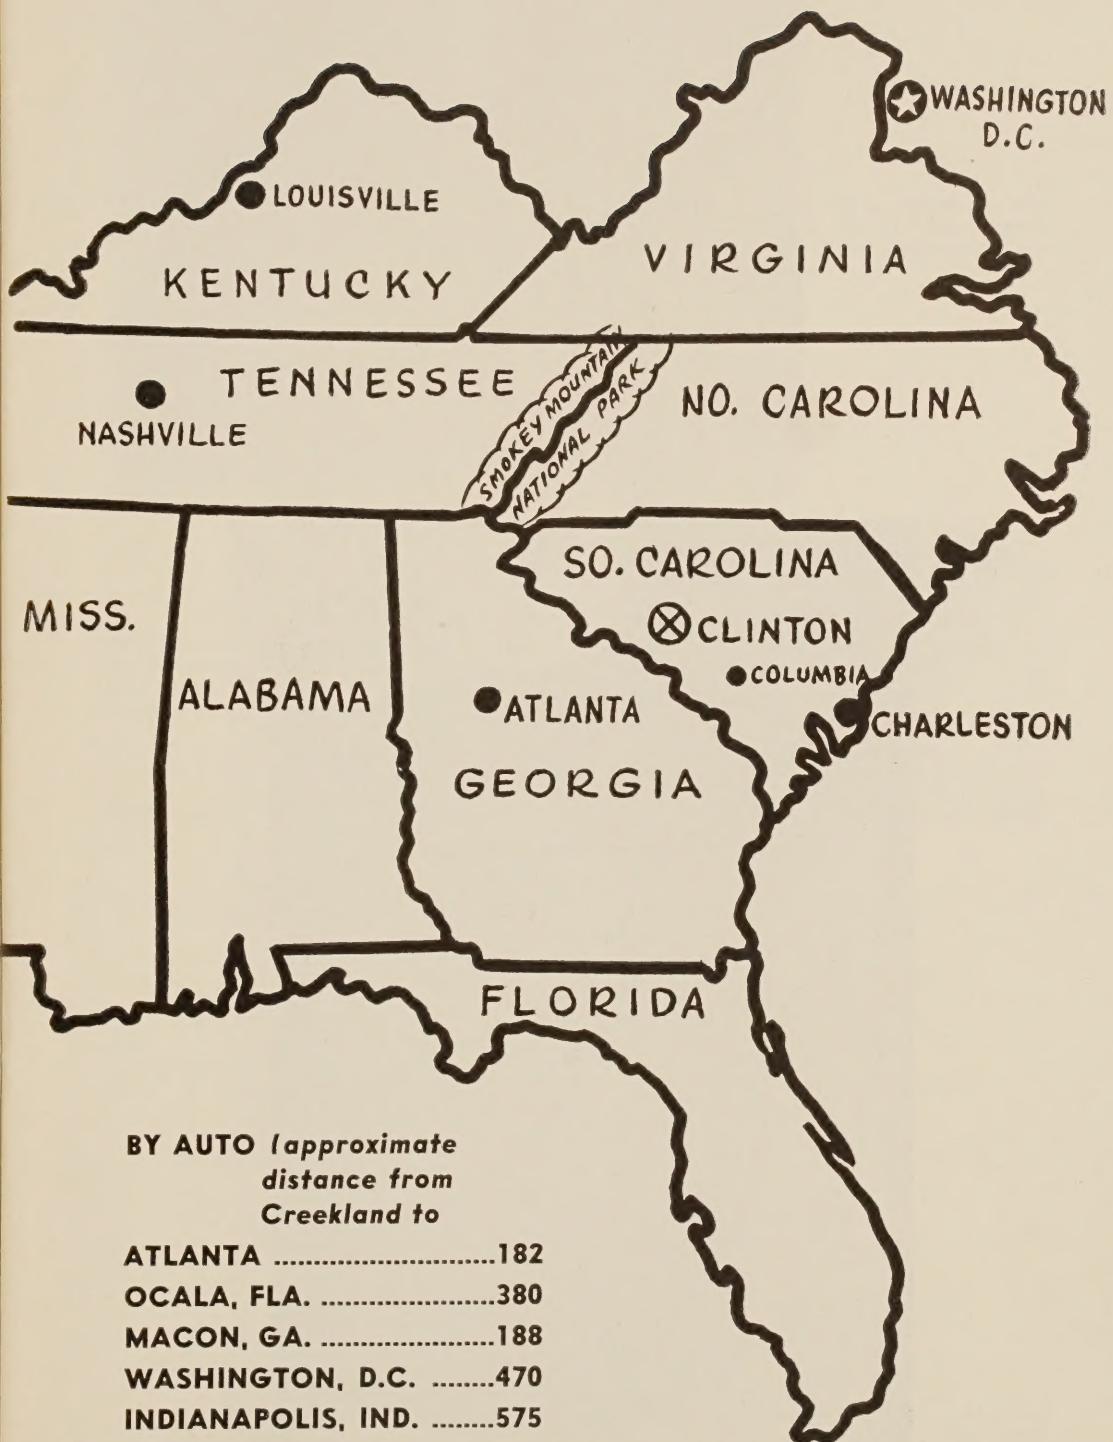

The group from the guest consignors is a splendid lot. Certainly we do not need to comment upon the record of the largest consignor in this group, Thieman Polled Shorthorns, Concordia, Missouri.

The growth of Creekland has been a slow, careful process. This will be a new source of supply for the best. Here the finest Shorthorns and Polled Shorthorns are being mated to produce a superior animal with a Polled head. They are ready for their first sale. The cattle are there.

No breeder minds traveling a ways if he knows the right kind of cattle will be at the end of the journey. I am not hesitant in recommending that you invest in time and travel to attend this sale.

A study of this pedigree reveals three crosses of the Perth Champion, Royal Rothes. The dam is a granddaughter of Fascinator x, the bull that left so many valuable animals at Lynnwood Farm. Double Royal x has a wealth of natural fleshing, mellowness, and scale. We have forty of our best cows bred to him, and will have several calves for your inspection on sale day. This bull will take the gamble out of solving your herd bull problem. All of the animals in his pedigree are polled with the exception of Royal Rothes.

Here is a young bull with a double infusion of the blood of that great improver. Creekland Fascination x is a halfbrother to L F Fascination x, 1954 International Grand Champion bull. His granddam, Rosewood Bess, was a Polled Congress champion and by the great sire, Collynie Goods. He is short legged, with extremely heavy bone and wonderful thickness. Louada Broadhooks 2d—This is one of the best females ever developed at Creekland. She was purchased to keep, and is offered only because we are determined to put top quality into our first sale. She is well balanced, thick, with a beautiful head. Bred to Camson Prince Bob, she could be a valuable addition to the best herd in the land. Her dam purchased by Louada for \$1,000 in the 1950 Russell-Gray Law sale.

Kirkton Golden Star, the famous bull in service in the herd of Campbell Farms, Moffat, Ontario. He is the sire of lot 8.

Creekland Flossy Nan—A heifer from Scotland's famous Flossy family. Kirkton Golden Star earned for Grant Campbell the Premier Breeder Award at the 1954 Royal Winter Fair. She spent the winter with her dam in pasture and is not highly fitted but could be one of the most valuable females in the sale. The first two bull calves by Kirkton Golden Star, both about six months old, brought \$1,350 and \$1,150 in the 1954 Campbell sale.

Left, Birmingham Millhills Democrat x, herd bull at Lynnwood Farms, Carmel, Indiana. Lot 9 is out of his dam.

Right, Birmingham Democrat 2d x, retained for herd service at Birmingham Farms, Kingston, Ontario. Lot 9 is out of his dam also.

**A Sale You Won't Want  
To Miss**

**Top Polled Shorthorn and Shorthorn cattle of the  
richest background . . . beautiful Carolina in the  
spring.**

Don't come alone . . . Organize a party of the breeders  
in your community . . . Remember, too, it's a beautiful  
time and region for a family trip.

# The Guest Consignments

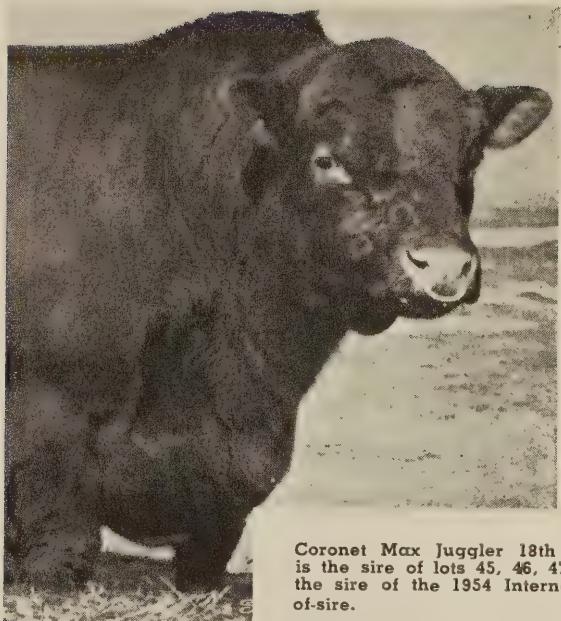

To an already powerful Creekland offering there will be added a strong group of nine head from guest consignors. Five head come from Thieman Stock Farm, Concordia, Missouri, home of over twenty International champions. Four head in the sale are sired by the bull at left, Coronet Max Juggler 18th x, and one is by the world's record price Polled Shorthorn bull T P S Max Coronet 5th x, produced and sold by the Thiemans to Avenel Farms, Bethesda, Maryland.

It is also a pleasure for us to use this sale as a means of demonstrating the high quality that is being produced in the many good South Carolina herds. Two head are being sold by C. Y. McCants, Cameron; and one each by McGee Bros., Starr; and J. B. Broyles, Townville. These breeders are doing a fine job as you will see when you view their cattle in this sale.

**Coronet Max Juggler 18th x, in a natural pose at Thieman Stock Farm. Three sons and one daughter sell in this sale.**

The 1953 International grand champions...T P S Max Coronet 5th x later sold for a world's record price of \$20,000, and Beauty Coronetta 4th x. Both are by sons of the International grand champion, Killeen Max Juggler. Study the pedigrees of the Thiemann entries in this issue and see how closely related they are to these two champions.

Coronet Max Juggler 18th x. This famous bull is the sire of lots 45, 46, 47, and 48. He is also the sire of the 1954 International first prize get-of-sire.

Lots of International Champion breeding on both sides of this pedigree. Only because we feel like really supporting this sale would we consider selling this kind of cattle. She is perhaps the only daughter of the \$20,000 T P S Max Coronet 5th that will ever be sold by us. Beautifully bred and a beautiful heifer. Pretested clean and vaccinated for Bangs.

# **Standard Guarantee**

**OF**

## **AMERICAN SHORTHORN BREEDERS**

### **ASSOCIATION**

- 1 Proper care must be give by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs disease of the state or county into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.
